Greetings!

Real Life Community Outreach will be hosting the **2024 Real Life Charity Golf Scramble on June 3, 2024 at the Club at Sonterra**. Your support for this fundraising event will impact thousands of people in Northeast San Antonio and the surrounding areas.

In Bexar County, one in four children are “food insecure,” meaning that access to adequate food is limited by lack of money or other resources. The most recent data shows that 13.7% of Texas households are food insecure. And while we all have had to adjust to the largest inflation increase in the last 40 years, rising inflation has hit struggling Texans the hardest.

Real Life Community Outreach exists to ensure struggling families in Northeast San Antonio and the surrounding areas can find the help they need. What do we do? We offer compassionate support through a regional food pantry, vocational training, and kids camps for low-income neighborhoods.

- Last year we distributed \$2.1 million worth of food impacting 61,481 people.
- We graduated 12 students from a 44-week HVAC training; started new programs in welding and small business bookkeeping.
- We held two kids camps for low-income neighborhoods, serving 146 kids.

All proceeds from this fundraising event will go toward the charitable work of Real Life Community Outreach and its mission of serving our community with compassion, providing support and opportunities which empower people to better their lives.

We hope you will be able to support our fundraising event. Please review the information provided and register at www.reallifeco.org.

With Appreciation,
